

## **Demographic and Population Statistics**

---

## International Migration

---

### Purpose

---

To produce consistent and annual international migration data for OECD member countries and some non-member countries and ensure methodological soundness and comparability of international migration data.

### Objectives and outputs

---

- Updating and extending the International Migration Database available via OECD.Stat and publishing an extensive statistical annex in the annual report "International Migration Outlook" (IMO), which contains the most recent available data on migration flows, foreign and immigrant populations, foreign workers, naturalisations and foreign students.
- Producing and improving standardised long-term and temporary inflows series by category and publishing in the IMO and OECD.Stat. Categories for long-term flows include work, family, humanitarian, free circulation; Categories for temporary workers include students, trainees, seasonal workers, working holiday makers, intra-company transfers.
- Updating the Database on Immigrants in OECD Countries (DIOC and DIOC-Extended) for the years 2015/16.
- Collection of thematic indicators of integration of immigrants and their children for the publication "Settling in - Indicators of immigrants integration".

### Non-member countries involved in the activity:
